

# **No Late Fees with Auto-Pay!**

No forgetting to pay the bill and no late fees EVER! Our payment system is Auto-Pay. Upon registering for the Fall or Spring semester, each account will sign up for Auto-Pay with the credit or debit card of your choice. This will serve as your form of payment each month. If you prefer to pay with cash, check, or a different credit card, you are more than welcome to! Simply pay before the Auto-Pay date (listed under the "Yearly Fees" section) and no Auto-Pay will be deducted from your bank or credit card.

## **Tuition**

Tuition payments are due on the 1st of each month. Auto-Pay won't be deducted until the 5th of each month giving you ample time to pay by cash, check, or another card if you choose. If the balance is still there on the 5th, the Auto-Pay system goes into effect and your account will be paid in full before the late fee would be applied on the 6th.

## **Costumes**

Costume fees will be applied to your accounts at the beginning of each semester. You will have enough time to complete any optional fundraisers offered if you wish before fees are due. If you wish to have your costume fees paid by the Auto-Pay system, please see an office staff member to fill out a form at the beginning of the semester. No costumes will be automatically paid for under any circumstances.

## **Any Additional Costs**

No miscellaneous costs will be deducted by the Auto-Pay system under any circumstances. Any fees accumulated on the account will be shown on monthly statements and discussed appropriately.

The Auto-Pay System has been put in place due to the overwhelming and increasing amount of late payments Dance Your Dreams has received.

We hope you enjoy the ease of our NO HASSLES PAYMENT SYSTEM and rest easy knowing there are NEVER ANY LATE FEES!
